Project Share

To enroll in the Project Share program, please scan this code or fill out the form on the next page, and mail it to our Customer Service Center.

Continued on Back

Together, We Can Keep Our Community Warm.

This is a voluntary program, created to assist needy households in paying their winter energy bills. You can help by adding a regular Project Share (PS) contribution to your monthly utility payment, or by making a direct donation to Project Share. These funds will then be distributed to neighbors in need for winter energy costs. Those qualifying for help will be carefully identified by an area social service agency. A local committee will oversee Project Share to guarantee all contributions will be handled equitably and efficiently.
